

## **Gregory Stephenson Executive Director and Associate General Counsel**

### **Biographical Profile**

In April 2008, Greg Stephenson was named Counsel of United Technologies Research Center (UTRC), the central research and development organization of United Technologies Corporation (UTC). In 2015, he was named Executive Director and Associate General Counsel. In this role, he leads UTRC's Legal Department with responsibility for all UTRC legal matters, including international trade compliance.

Stephenson joined UTC in 2000 as Assistant Intellectual Property Counsel at Hamilton Sundstrand, now part of UTC Aerospace Systems, and was promoted to Intellectual Property Counsel in 2004. His background also includes working as a Manufacturing Engineer at Ford Motor Company and as a Mechanical Engineer at Dow Chemical, as well as several years in private law practice.

Stephenson is Authorized as In-House Counsel in Connecticut, is a member of the California Bar and New York Bar, and is registered to practice before the United States Patent and Trademark Office. He holds a bachelor's degree in mechanical engineering from the University of Michigan, Ann Arbor, Michigan, and a juris doctorate from Boston University, Boston, Massachusetts.
